Meet Me at the Maltings – Members’ Questions

We want to create a healthy programme of events and to connect local people as a result. It would help us to know your thoughts and while you can talk to the project manager at any time, here are some questions you may want to consider.

Can you tell us a bit about yourself – your background, your career, where you’re from?

Have you been involved in similar activity before? If so where and what?

What are you looking for in Meet Me at the Maltings?

Do you have any suggestions for future sessions?
