

## Outdoor Cinema Event Information

Ahead of your visit to our outdoor cinema, please read the information below for your own safety and enjoyment.

- In the event of bad weather, the screening will go ahead. Please check the forecast and come prepared.
- Please note that it can turn chilly in the evenings, so make sure you bring suitable clothing.
- Priority tickets allow ticketholders to access the auditorium half an hour before general admission to select their chosen seats. Please note, only ticketholders with a priority ticket will be admitted to the auditorium during this time.
- If you have pre-ordered one of the sharing tapas boxes for two or a Mojito, please show your ticket to a member of staff who will advise where to collect from.
- Glass is not permitted in the auditorium. All drinks must be consumed in plastic drinkware.
- Alcohol bought offsite will not be permitted in the building, in accordance with our building policy.
- If you wish to smoke, including e cigarettes, you need to leave the auditorium. You will be readmitted afterwards and please be courteous of other audience members.
- Please place all rubbish into the bins provided or take it away with you.
- Any drinks purchased onsite must be consumed within the event site.
- No umbrellas are permitted during the screening.
- Please take note of the film certification when purchasing tickets. ID will be required for those patrons who look under the age of the film certification.

**Please note all of the above is in addition to our standard terms and conditions, which you can read [here](#).**
